Lal Kitab

Lal Kitab is a mystery in itself. It is written in ancient Urdu without the element of punctuation and sounds Greek to a layman. Poetical verses interpolated with philosophy and hidden nuances of destiny form the core 'farmaans' of the book. The authorship is unknown. It is said that the solutions & remedies given by Lal Kitab are infallible. Some of them may look pretty weird especially in these modern times, but that is the way our religion is, inexplicable, occult yet overawing just by sheer magnitude of its diversity. That it has rightly been termed as "The Wonder Book" of Astrology.

The science of palmistry too has been explained in such an exquisite manner that each of the 42 divisions of the human brain have been related to the different houses of a man's birth chart in such a scientific manner that the sketch of the human brain reflects accurately on the lines of the palm. On the basis of these lines of the palm one can draw the actual horoscope of an individual and can do the placement of planets in various houses of the birth chart. [Astrology and Lal Kitab](#)

The date of birth and the birth ascendant can be found out by reading the lines and mounts of the palm, which means that an individual's accurate birth chart can be drawn by seeing the lines of his palm. Similarly, by studying the different aspects of a man's residential house his birth chart can be accurately prepared on the basis of the sutras explained in the Lal Kitab. In addition to the above, Lal Kitab has announced unique remedial measures to solve chronic and critical human problems in day-to-day life. [Lal Kitab: Do it Now!](#) These measures do not require the practice of ordeals, yagnas, havans and other complicated and expensive rituals, which prove more troublesome for persons who are already in trouble because of the evil effects of certain planets. These measures are again different from Yantras, Mantras and Tantras, which give various adverse effects if not followed rigorously in all their minute details. The measures suggested in Lal Kitab are electrically effective in solving all kinds of human troubles and tensions, without inflicting harm on anybody i.e. these remedies are completely self defensive against the evils created by the planets without causing injury in anyway to anyone concerned.
