## Vastu Shastra

**Vastu Shastra** is an ancient science energy flow throughout the **house/office/factory** that allows inflow of fresh air and natural light that promotes **health, wealth, peace** and **happiness**.

The most ancient science of architecture that goes back to the Vedic ages, it is composed of specific rules and regulations, set down by sages of those times, that an architect/builder/owner was expected to religiously follow to avoid coming under negative or evil influences.

Today, it is looked upon as a highly evolved, comprehensive building philosophy in which directions and shapes are the most vital aspects of designing.

Right from the selection of site to correct slope of land down to the shape of the building, this oldest form of architecture covers nearly every aspect of construction. Not only for houses but **temples, palaces, forts, offices**.

just about every possible form of construction, Often providing relief if not cures to physical or emotional problems simply by relocating an entrance, window or room..
